The following accessories are to be phased out:

Product code	Items	EON	EOD	EOS
A50034060001	DESI labels for DT430/830 – 12/24 Buttons	01.04.2020	01.04.2020	01.04.2020
BE113872	8 button Line Key Unit (Black)	01.04.2020	01.04.2020	01.04.2020
BE113871	8 button Line Key Unit (White)	01.04.2020	01.04.2020	01.04.2020

EON - End of New deliveries. The product cannot be ordered for new system sales. Existing systems can still be expanded with additional hardware.

EOD - End of Deliveries = EOM - End of Maintenance. Both new and expansion sales of this hardware are no longer available. The hardware and its associated firmware are no longer maintained, however repair or replacement service is still available.

EOS - End of Service. All service on the product have ended.

Please note that the DT430 8 Button Self Labelling and the DT410 Black 2 and 6 button are not affected by this announcement.

Documentation

User guide and Quick Reference Guides are available on BusinessNet.

Phase out of DT430 12/24 Button Telephones

In the course of October, the terminal presentation will be updated with the information from this Portfolio Bulletin. The presentation will also hold the information about successor products in the DT500 range.

Availability & Order Information

NEC accepts orders until and including March 30, 2020 with standard delivery time. However for bigger projects and/or special (high) amount of terminals please make use of the last time buy moment at **February 1, 2020** in order to ensure stock availability. Delivery schedule will be confirmed upon receipt of order.
