Phase out of SV9100/SV9300 ETIA Card

NEC would like to inform you about the phasing out of the GCD-ETIA card for the SV9100 and SV9300 platforms.
The ETIA is a fully managed 802.3af compliant 8 port PoE Gigabit Switch card.

Phase out items

The following items are to be phased out.

Product code	Items	EON	EOD	EOS
BE113045	GCD-ETIA card	01.06.2020	01.06.2020	01.06.2021

EON - End of New deliveries. The product cannot be ordered for new system sales. Existing systems can still be expanded with additional hardware.
EOD - End of Deliveries = EOM - End of Maintenance. Both new and expansion sales of this hardware are no longer available. The hardware and its associated firmware are no longer maintained, however repair or replacement service is still available.
EOS - End of Service. All service on the product have ended.
