

NEC Product Life Cycle update

This monthly Sales & Marketing Bulletin informs about NEC Product Life Cycle changes that will occur from the date of issue and 4 months forward.

This SAMB Covers the period August 01, 2024 to November 30, 2024.

The Exhibits

Exhibit A is a list of Part Numbers that will go EON.

Exhibit B is a list of Part Numbers that will go EOD.

Exhibit C is a list of Part Numbers that will go EOS.

Definitions

EON – End of New deliveries. The product cannot be ordered for new system sales. Existing systems can still be expanded with additional hardware.

EOD - End of Deliveries. Both new and expansion sales of the hardware/software are no longer available. The hardware and its associated firmware are no longer maintained, however, repair service for the therefor eligible product is still available.

EOS - End of Service. All services on the product have ended.

Exhibit A: Part Numbers that will go EON
