

NEC Product Life Cycle update

This monthly Sales & Marketing Bulletin informs about NEC Product Life Cycle changes that will occur from the date of issue and 4 months forward.

This SAMB Covers the period November 1, 2023 to February 29, 2024.

In this edition many items goes directly from ERL (released and available) to EOS. In the first table all those items are marked orange and will not be in the Exhibit B and C.

Exhibit C is extra ordinary long as many partner numbers will go EOS, e.g. MobiCall dongle version, MobiBox, Cetus Phones, Tiger iCharge and ErgoLines.

The Exhibits

Exhibit A is a list of Part Numbers that will go EON.

Exhibit B is a list of Part Numbers that will go EOD.

Exhibit C is a list of Part Numbers that will go EOS.

Definitions

EON - End of New deliveries. The product cannot be ordered for new system sales. Existing systems can still be expanded with additional hardware.

EOD - End of Deliveries. Both new and expansion sales of the hardware/software are no longer available. The hardware and its associated firmware are no longer maintained, however, repair service for the therefor eligible product is still available.

EOS - End of Service. All services on the product have ended.

Exhibit A: Part Numbers that will go EON.

(Orange colored rows are part numbers that goes directly from ERL to EOS. They will not be listed in the next two Exhibits)
